PREPARATORY SCHOOL

Stay Connected to WPS

Join the Remind Community

WPS uses the Remind mobile app in order to update parents about special events, snack calendars, field trips, and more. You can receive and send text messages by doing the following:

Enter this number on your phone – 81010

Type the text message corresponding to your child's class –

@wps3to6 @wps6to9 @wps9to12 @wpsmiddle @wpshighsch

WPS Archery is @wpsarc

Hit Send, and you'll receive a confirmation text.

You may also download the Remind app on most iPhone and Android devices.

Parents of returning students should set up to receive texts from their new class grouping if it has changed this year.
